

“ The verdict of the ages is that faith means courage. All men of faith have courage. They trust their God.”

Robbers Roost Reunion Attendees –

We are sending out this registration form early this year. The full program with speakers’ names will be available at the Reunion.

We are capping registration at 65 people this year because the Black Mesa Lodge has asked us not to exceed their capacity.

What this means is that we will accept the first 65 men who register **and pay**. Once we are full, we will decline further registrations. Confirmed attendees will receive a registration confirmation. People who try to register after the limit is reached will receive their check back and a notice that the Reunion is fully booked. **The only way to register is by sending in this form with payment.**

Scholarships are available and newcomers will be welcomed regardless of registration status.

"This work kept me sober. It wasn't a question of those alcoholics giving me anything. My stability came out of trying to give, not out of demanding that I receive." Grapevine, January 1958

HOW THIS STARTED

Evolving from the first **Atlanta Men's Workshop** (started in 1982 by the late Doc Crandell of Roswell, Georgia), to a group of men in Southern California informed by a member of Alcoholics Anonymous who attended the Atlanta workshop, a series of miracles in recovery has spread through to the Western Slope of Colorado. Since May 2001 the **Back to Basics Men's Workshop** in Southern California has hosted two workshops a year – in May and October.

In 2005 the Colorado Robber's Roost men's group decided to carry on the tradition of recovery at a **First One's for Free Workshop** in Austin, Colorado. We were amazed at the support from our Atlanta, Southern California men's groups and others who traveled in unity and spirit to support us. The 2nd Annual Reunion found us a home at Black Mesa Lodge in the spectacular setting of the Black Canyon of the Gunnison.

In Southern California, a scholarship fund was named for the late Pete Hodge (who attended all of the Back to Basics Men's Workshops and was instrumental in carrying the message to the incarcerated alcoholic), and continues to change the lives of those attending the Workshops.

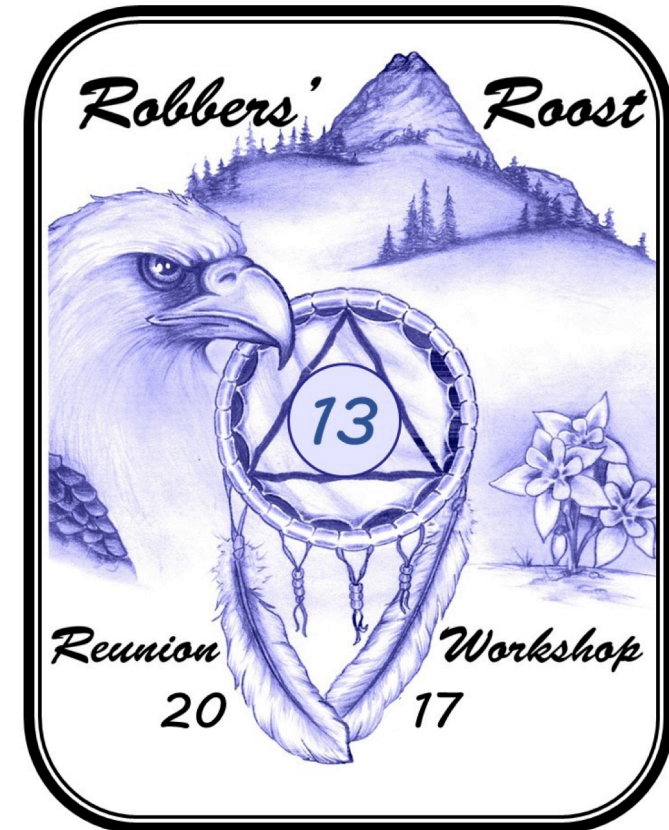

In Colorado, a Memorial Scholarship in the name of Norm Chaffee, Pete's Sponsor, (he attended every Workshop until called to the Big Meeting in the Sky) continues the legacy of his years of selfless service.

Our logo, from the resting place of Pete Hodge, symbolizes the tireless efforts of those who have gone before us sharing this message of hope for the still suffering alcoholic.

We echo the words of the late Dr. William D. Silkworth: *"The unselfishness of these men... is inspiring. They believe in themselves and still more in the Power which pulls chronic alcoholics back from the gates of death."*
